Country Roads – Wallerawang Style

Verse 1

Almost heaven, that's Wallerawang
Blue Ridge Mountains, Cox's River
Life is old there, older than the trees
Younger than the mountains, blowing like the breeze

Chorus

Country roads take me home
To the place I belong
Wallerawang in the valley
Take me home, country roads

Verse 2

All my memories gather round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Place of wood and water, teardrop in my eye

Chorus

Country roads take me home
To the place I belong
Wallerawang in the valley
Take me home, country roads

Bridge

The school bell rings and it always seems to call me,
Snuggled in the vale where the miners work away
And driving down the road I get a feeling
That I should've been home yesterday, yesterday

Chorus

Country roads take me home
To the place I belong
Wallerawang in the valley
Take me home, country roads
Country roads take me home
To the place I belong
Wallerawang in the valley
Take me home, country roads
Take me home, down country roads
Take me home, down country roads
