NEWSLETTER WEEK 9 TERM 4, 7th December 2011

Dear Parents and Carers

The Federal Government's "Building the Education Revolution" (BER) which provided significant additions to our school were officially recognised and acknowledged at last Friday's assembly.

The enclosed COLA (Covered Outdoor Learning Area), the new OLA (Outdoor Learning Area) and the SPR (Special Programs Room) have been much needed improvements to the school providing modern, inviting and outstanding learning environments which compliment the existing structures.

School Principal, Mr Auld, officiated this celebration by reading a letter from Senator Chris Evans, Minister for Tertiary Education, Skills, Jobs and Workplace Relations, recognising the upgrades to the school.

School Captains opened the recognition plaque and expressed their sincere thanks on behalf of all the students of Wallerawang Public School.

Final School Assembly

The final school assembly for this year will be held on Friday 9th December. At this assembly some of our students will be 'Stepping Up' to Level 8. Level 8 awards are a very prestigious award and are only awarded to students who have displayed exemplary behaviour all year long. It is appropriate that Level 8 awards are handed to

students at this final assembly as these represent a year long effort. Please be aware that for a student to have received a Level 7 award they are considered to be of a highly commendable standard with regard to their behaviour. It is important that our school community be aware of the distinction between these two high achieving levels.
