From the Principal's Desk

School photographs have dominated our day today with all classes, individual students, family, friends and cultural / sporting representative teams photographed. Thanks is extended to families that opted for the online order and payment system this year. Your choice has assisted us greatly.

The **FETE** is to be held this Friday commencing at 10am. The P&C along with a few volunteers have created a terrific carnival and action packed 4 hours for the children and families of the school. Parents are asked to advise their children to ensure they look after their belongings and money on Friday and plan to have their money last over the four hour period. Parents in attendance with their children are welcome to depart from 2pm; please advise class teachers as you exit with your children. There is no theme for dressing up this year however children are welcome to come along in casual / practical clothes and suitable footwear. Some may wish to embrace Halloween and dress up in the Halloween theme however there are no set expectations around dressing up.

FETE HELP NEEDED – We do not have enough helpers to run all the stalls yet. If you can help please contact P & C representative/s Katena Taylor (0409 514 992) and Leanne Houlison (0400 312 197) who will gladly allocate you a stall to help in. Names may also be provided through the front office staff on 63551210. Helpers can also volunteer on the morning via the front office staff at the school.

The **Christmas Carols** evening, set down for Friday 12th December is moving ahead with the planning team meeting weekly to ensure a successful, enjoyable and family friendly evening is provided in December. Would your family OR business like to **sponsor the Carols Evening?** We are seeking sponsorship to help make the evening a cost neutral event. See page 10 for details of sponsorship options and consider financially supporting this important event.

Our **Stage 3 students** arrived home safe, well and extremely tired last Wednesday evening after 3 days on the coast at Broken Bay. A wonderful program was created for our students, staff and attending parents at the camp centre and a fantastic time was reported by all in attendance. A huge thanks is extended to staff that coordinated and attended the excursion. Thanks also to the parents that assisted with the excursion and also to students for their great participation, enthusiasm and helpfulness whilst away.

During **assembly last week** stage 1 and stage 3 students presented slide-show items of their recently attended excursions. Stage 1 Featherdale Wildlife Park and Stage 3 Broken Bay excursion. Thanks to students in both classes and also to Ms Gurney and Mrs Quinn.

Kindergarten 2015 preparation continued this week with over 40 students attending the Early Bird transition program. The newcomers are settling in well to the school environment and staff are excited about welcoming these children fulltime to our school next year.

No Hat No Play (in the sun) – Parents are reminded that we are a registered Cancer Council School, supporting sun protection strategies. Children without broad brimmed hats are being removed from sunny play areas during breaks and offered areas to play where there is shade (including the library, COLA, Stadium and covered ways). Please encourage your children to bring hats to school every day (with their name on the tag somewhere) so that they can fully utilise the playground area.

School Assembly

There will be no assembly this week due to the fete. The next school assembly will be held on Friday 7th November from 9:15am where KR and 3/4C will present items.

Thinkuknow Online Safety Video Conference for Parents

ThinkUKnow is an internet safety initiative which aims to raise awareness of the issues which young people face online and whilst using mobile phones. It is a partnership between the Australian Federal Police (AFP) and Microsoft Australia, and is now proudly supported by ninemsn and Datacom.

Our *school* will be hosting a ThinkUKnow presentation on **Wednesday 5th November at 4pm in the school library** (Please note this is the correct date, the letter sent home last Friday had the incorrect date). All parents and carers are encouraged to attend. This presentation will cover topics such as how young people are using technology to have fun, online grooming, cyber-bullying, inappropriate content and e-security.

For more information, you can visit the ThinkUKnow Australia website at www.thinkuknow.org.au or contact Mrs Nancarrow.

We look forward to seeing you all at the presentation.

Make A Meal

Make a Meal is an all-new venture by Lithgow volunteers and the Lithgow PCYC.

Aim: We see the need for young adults to learn cooking skills to feed their family or to just cook for themselves properly.

Method: Three hour sessions, once a week, tutored by experienced cooks. Learn:

- Food purchasing and preparation.
- Safe kitchen practices and health.
- Cooktop, BBQ, and microwave techniques.
- Build a library of menus for future family use.

Skilled supervision and an enjoyable, simplistic approach.

Projected start date - mid 4th term this year.

Looking for more experienced, enthusiastic cooks or chefs.

Seeking to raise \$500 for initial funding. All funds to be directed to PCYC Lithgow.

Your support would be appreciated.

SunSmart Snippet

The simplest way

to protect your face, neck and ears!

Did you know that when it comes to sun protection, not all hats are equal?

We all know that hats help protect against skin cancer and eye damage. But did you know that baseball caps do not provide adequate protection? There is now very clear evidence that baseball caps leave the cheeks, ears, chin and back of the neck exposed to ultraviolet radiation, increasing your child's risk of skin cancer later in life.

Bucket hat

Bucket or surfer-style hats should have a deep crown and sit low on the head. The angled brim should be at least 5cm for children (6cm for adults) and shade the face, ears and back of neck.

Broad brimmed hat

Brims should be at around 6cm for children (7.5cm for adults). The brim should be proportional to the size of the child's head and provide shade for the whole face.

Legionnaire hat

Legionnaire-style hats should have a flap that covers the neck. The side flap and front peak (brim) should meet to protect the sides of the face.
