

# Wallerawang Public School

## Christmas Concert

**Friday 12<sup>th</sup> December 2014**

### **“Change of Venue”**

Due to wet weather - forecast for Friday, we have decided to hold the concert in the **Indoor Stadium** adjacent to the school. Students will still need to arrive at school at 5.00pm. Students will have a designated area in the stadium where they will be asked to meet their teachers before the concert commences.

Please **bring along a picnic blanket** and a picnic. BBQ and other food will still be available as advertised previously.

**Chairs cannot** be used in the stadium due to the timber flooring but you will be able to sit on the stadium tiered seating.

Note - the first row of stairs will be reserved for the elderly, disabled or people who cannot physically climb to the top!

**We hope to see everyone still attend as it will be a wonderful night!**
