From the Principal's Desk

A quick outline of considerations regarding the wearing of earrings at school. Students have been advised today that when wearing earrings to school their own safety must be thought about in choosing the type of earring. **Sleepers and studs are the safest type** of jewellery to wear in ears. Large rings, dangling designs and sharply pointed designs are potentially very unsafe at school. Children wearing any other form rather than studs and sleepers will be required to remove them during any activities where there is risk of getting them caught, bumped or even torn from the ear. Parents are urged to consider their child's safety when deciding which style of earrings their child should wear to school. I will leave uniform for another week.

Yesterday afternoon students from **5/6F invited me to attend their research presentations on rainforests.** 12 groups presented their projects over the afternoon and the confidence, creativity and enthusiasm generated in the classroom was great to be a part of. See page 3 for a collage of photos taken during the presentations. A big thanks to the students of 5/6F and Mrs Fraser for the invitation to be a part of the presentations.

A reminder that starting tomorrow the **school canteen will be closed each Thursday** for the remainder of term one. Please ensure children bring along fresh fruit for their morning break, their own recess and lunch.

Dates to remember for this term are, no canteen on: 5 March, 12 March, 19 March, 26 March and 2 April.

Volunteers are still being sought for term 2 to hopefully allow the canteen to operate five days per week. Contact the school office for an expression of interest form if you can help out.

School contribution invoices were distributed to all parents late last week for the voluntary school contributions which we collect to assist in covering the costs of essential equipment, books and resources. Individual fee is set at \$30 per child with a maximum of \$60 per family.

Last Friday four of our senior boys attended the PSSA **District Cricket Trials** held in Lithgow. The boys, Billy Rushworth, Cooper Nunan, Dane Hart and Kye Cameron were successful in gaining a position in the district squad. The four boys participated in batting, bowling and fielding drills designed to show off their talents in the game of Cricket. They all played to the best of their abilities and earned their positions in the squad. Next, they will take part in the Western Area trials held in Dubbo on the 20th March. Well done boys!!

Congratulations!!

Morning drop off zone in the school car park. A reminder to families that there is a designated drop-off point in the school carpark where no parking is allowed between 8:40 and 9:15am each day except for Friday (due to school assembly and parents needing to park). Signage is clearly displayed and parents are asked to observe the need for a quick drop off point in the morning.

Upcoming events:

School Uniform Shop is open each Monday afternoon between 2 and 3 pm.
Newsletter distributed each Wednesday afternoon via students unless advised otherwise.
